Wild thing
You made the boys spring
You made everything expensive
Spend it, spend it, wild thing

There's hardly a man left around that you haven't
sought out
There's hardly a dress shop in town that you haven't
bought out
In case you're wondering why the hair salon wouldn't
take you
There's hardly a woman left in any state that doesn't
hate you

Wild thing
You made the boys spring
You made everything expensive
Spend it, spend it, wild thing
It's truly awesome

When she was younger she thought her mother had
missed her calling
And she, in turn, thought that her daughter's conduct
was appalling
After each date she had the boys, went home and
dreamed of spiders
She never fell for any man who wasn't rich as Midas

Wild thing
You made the boys spring
You made everything expensive

Spend it, spend it, wild thing
It's truly awesome

If there's a lesson to be learned then I'm sure I don't
know it
We've all been waiting twenty years to see her finally
blow it
But as far as I can tell she's happy, rich, and worry-free
And that's a hell of a lot more than I can say for me

Wild thing
You made the boys spring
You made everything expensive
Spend it, spend it wild thing

Wild thing
You made your heart sing
You bought everything you wanted
Spend it, spend it, wild thing
It was truly awesome
That's my girl, go baby!
