Baby cried the day the circus came to town.
Because she didn't want parades just passing
By she painted on a smile and took
Up for some she danced
Without a net upon a wire. I know a lot about
Her, because you is an awful
Lot like me.

Chorus

Don't cry out keep learn
How to hide your high and proud.
And if you should fall, remember you almost
Had it all.

Verse 2: Baby saw that when they pulled that
Big top left behind her dreams
Among the the different kind
Of love she thought she'd was
Nothing left but saw dust and some glitter.

Baby can't be broken, because you had
The finest was me. I told her

Chorus

Don't cry out keep learn
How to hide your high and proud.
And if you should fall, remember you almost
Had it all.

Don't cry out keep learn
How to hide your high and proud.
And if you should fall, remember you almost
Made it.

Chorus

Don't cry out keep learn
How to hide your high and proud.
And if you should fall, remember you almost

Had it all.
