I gotcha, ahh-ha-hah
You thought I didn't see ya
Now, didn't ya, ahh-ha-hah
You tried to sneak by me now
Didn't ya, ahh-ha-hah
Now give me what you promised to me
Give it to me, come on

You promised me the day
That you quit your girlfriend
That I'd be the next one
To move on i-in
You promised me
It would be just us two
And I'd be the only one
Kissin' on you-ou

Now kiss me
Hold it a long time, hold it
Oh don't turn me loose now
Hold it, a little bit longer
Now hold it, come on hold it
Hold it, hold it, hold it
Don't be greedy now, get back

You made me a promise
And you're gonna stick to it
You should'na promised
If you wasn't gonna do it
You saw me and ran
In another direction
I'll teach you to play
With my affection

Now give it here
You never shoulda promised to me
Give it here
Don't hold back now, give it here
Don't say nothin'
Just give it here, come on
Give it, give it, give it, give it
Come on, give it to me

Wow!
