Love pains, love pains
Love pains, love pains

Midnight, I watch you as you are sleeping
You don't know I'm leaving, my bags are packed to go
Oh, no, no, no, it hurts me, hurts me so to leave you
Leave you for some one who I hardly even know

But time has come to say goodbye
To spread my wings and fly
To feed the need I feel inside

But I keep feelin' these love pains
Hurtin' me through and through
Caught between a love or two
Oh, will I ever be free of these love pains?
Love pains, love pains

Can't help, can't help but remember
The love we had, so tender, a world so safe and sound
Oh, no, no, no, his kiss, temptation so inviting
A feeling so exciting has turned me upside down

And though, I know I could be wrong
This feeling's much too strong
I've got to be where I belong

But I keep feeling these love pains
Hurtin' me through and through
Caught between a love or two
Oh, will I ever be free from these love pains?

Tearing me more apart
'Cause I don't wanna break your heart
Oh, will I ever be free from these love pains?
Love pains, love pains

Love pains, hurtin' me through and through
Caught between a love or two
Oh, will I ever be free from these love pains?

Tearin' me more apart

'Cause I don't wanna break your heart
Oh, will I ever be free from these love pains?

Hurtin' me through and through
Caught between a love or two
Oh, will I ever be free from these love pains?

Tearin' me more apart
'Cause I don't wanna break your heart
