Sara Lee

There's a lady living somewhere
Where it is, I do not know
But I long to write and tell her
That I love her so

I believe I might do mayhem
Yes I might destroy myself
If I ever found her missing
From my grocers shelf

Sara lee
Sara lee
Your brioche just fractures me
Give me a taste of your cherry danish
I love my mother but
You can't compara
Not with Sara Lee

Sara Lee
There's no H just Sara
Lee and that's ok by me
Cause I'm livin' in paradise
When I'm nibblin apple spice
From the kitchens of the one I love
Wonderful Sara Lee

(Sara Lee)
And it thrills me right to my soul
(Sara Lee)
When I'm chewin your finger roll
(Sara Lee)
And I'm cryin for goodness sake
There never been a better banana cake

Cousin Milton
Works at the Hilton
He caters banquets
And at each affair
He'll swear by

(Sara Lee)
I really know what you mean
(Sara Lee)
Honey those brownies are obscene
Drop that H say Sara
(Sara)
Lee and that's ok by me

I love your cheesecake white as pearl
Not to mention your chocolatey swirl
From the kitchens of the one I love
Wonderful Sara
Beautiful Sara
S-A-R-A-L-E-E
Sara
Lee
Yum!!
