"When I Fall"

Visit "[When I Fall](#)" on MotoLyrics.com

I want to be wild and bold enough to run with you, my
Baby
I want to skip time lay the hours aside and stay with you
My baby

But oh if I look down now, will I fall
And what if the water's cold, when I fall

I want to be still and quietly say, I'll lay with you my
Baby
I wish I were brave and sure today to pray that it's you
My baby

But oh if I look down now, tell me will I fall
And what if the water's cold, when I fall

Oh oh if I look down now, tell me will I fall
And what if the water's cold, when I fall

Oh oh if I look down now, tell me will I fall
And what if the water's cold, cold when I fall

When I fall, when I fall
