Would you walk a righteous path  
Without the promise of heaven  
Paradise, streets paved in gold?

Would you slay your sister  
Your brother, man  
For another man's greed?

'Cause if you believe  
That your God is better than another man  
How we gonna end  
All your suffering?

'Cause if you believe  
That your God is better than another woman  
How we gonna end  
All your suffering and strife?

You believe  
Great God's gonna come from the sky  
Take away everything  
And make everybody feel high

But if you know what life is worth  
You'll look for your's here on earth  
It's at hand

If you believe  
That your god is better than another man  
How you gonna end  
All this suffering?

If you believe  
That your God is better than another woman  
How we gonna end  
All this suffering and strife?

Say, if you believe, if you believe  
If you believe, oh, if you believe  
If you believe, if you believe  
If you believe, oh, if you believe

May I find  
Forgiveness and love  
(I believe)  
Forgiveness and love  
(Let faith guide you)

Forgiveness and love  
(‘Cause I believe that)  
Forgiveness and love  
(Let light guide you)

Forgiveness and love  
(I believe)  
Forgiveness and love  
(Oh, I believe)

Forgiveness and love  
Forgiveness and love
