Old man look at my life,  
Iâ€™m a lot like you were  
Old man look at my life  
Iâ€™m a lot like you were

Old man look at my life,  
Twenty four  
And thereâ€™s so much more  
Live alone in a paradise  
That makes me think of two

Love lost, such a cost  
Give me things  
That donâ€™t get lost  
Like a coin that wonâ€™t get tossed  
Rolling home to you

Old man take a look at my life  
Iâ€™m a lot like you  
I need someone to love me  
The whole day through  
Just one look in my eyes  
And you can tell thatâ€™s true

Lullabies, look in your eyes  
Run around the some old town  
Doesnâ€™t mean that much to me  
To mean that much to you

Iâ€™ve been first and last  
Look at how the time goes past  
But Iâ€™m all alone at last  
Rolling home to you

Old man take a look at my life  
Iâ€™m a lot like you  
I need someone to love me  
The whole day through  
Just one look in my eyes  
And you can tell thatâ€™s true

Old man look at my life,

IÂ´m a lot like you were  
Old man look at my life  
IÂ´m a lot like you were
