I went down to the water
All night long
I put my feet in
All night long

And I went down to the water
All night long
And I put my dreams in
All night long

And what you think of me
I can't say
I'll take these bad things and I'll
Throw them all away

I'm at the shore now
The shadows at my back
I can feel the waves coming they're
Heavy and black

But I can't turn away now
It's like
They're singin' a song

And I I'm in harmony
I'm singing along

And what you did to me I
I can't take no more
I'll take these bad things and I'll
Lay them at the shore

The end of the ocean
I'll never see
I stare out in the distance and it's
Looking back at me

And I went down to the water
All night long
And I put my feet in
All night long

And I put my dreams in
All night long
And I put my tears in
All night long

I went down to the water
