Trouble in the air
I don't want it
But I've to breathe
It's coming through the door
Behind the shadows that surround me when I sleep
Somehow I know
that I can't pray this away
I'll keep my head down and get up on this train
This train
Ooo ...

I'm gonna ride this pain like a wave
Lord, make me over I don't wanna be afraid
And when my time is come and gone
I don't wanna be the one who can't let go

What if I get lost
I call out to you and you don't save me?
The water comes too close
I don't have the time to give
what you gave to me?
Well, as long as my name don't change, I'll be the
same
I loved you more than time
Forever can't take that away
Ooo ...
Can't take that away

Just let me ride this pain like a wave
Lord, make me over I don't wanna be afraid
And when my time is come and gone
I don't wanna be the one who can't let go

Yeah, yeah, yeah

There is a river
Running by the train
It ain't troubled
It's just laying there, wading in the wind
Wading in the wind
Wading in the wind
Just let me ride this pain like a wave

Lord, make me over I don't wanna be afraid
And when my time is come and gone
I don't wanna be the one who can't let go

Let me ride this pain like a wave
Make me over I don't wanna be afraid
And when my time is come and gone
I don't wanna be the one who can't let go
Yeah, yeah
I'll move on
Yeah, yeah
Ride
Yeah, yeah
Ooo, yeah ...
