"When I fall"

Visit "[When I fall](#)" on MotoLyrics.com

I want to be wild and bold enough to run with you , my baby
I want to skip time lay the hours aside and stay with you , my baby

But oh if I look down now , will I fall
And what if the water's cold , when I fall

I want to be still and quietly say , I'll lay with you my baby
I wish I were brave and sure today to pray that it's you my baby

But oh if I look down now , tell me will I fall
And what if the water's cold , when I fall

Oh oh if I look down now , tell me will I fall
And what if the water's cold , when I fall

Oh oh if I look down now , tell me will I fall
And what if the water's cold , cold when I fall

When I fall , when I fall
