Let's go back
Back to the beginning
Back to when the earth, the sun, the stars all aligned

'Cause perfect didn't feel so perfect
Trying to fit a square into a circle
Was my life.
I defy

[CHORUS:]
Let the rain fall down
And wake my dreams
Let it wash away
My sanity
'Cause I wanna feel the thunder
I wanna scream
Let the rain fall down
I'm coming clean, I'm coming clean

I'm shedding
Shedding every colour
Trying to find a pigment of truth
Beneath my skin

'Cause different
Doesn't feel so different
And going out is better
Then always staying in
Feel the wind

[CHORUS]

I'm coming clean
Let the rain fall
Let the rain fall
I'm coming...

[CHORUS]

Let's go back
Back to the beginning
