I'm coming up so you better get this party started im coming up im comingso you better get this party started

I'm coming up so you better get this party started im coming up im coming

Get this party started on a Saturday night Everybody's waiting for me to arrive Sending out the message to all of my friends We'll be looking flashy in my Mercedes Benz

ive got lots of style with my gold diomand rings i can go for miles if you know what i mean

I'm coming up so you better get this party started im coming up im comin
I'm coming up so you better get this party started im coming up im coming

Pumping up the volume breaking down to the beat Cruising through the Westside we'll be checking the scene

Boulevard is freaking as I'm coming up fast I'll be burning rubber you'll be kissing my ass Pull up to the bumper get out of the car License plate says Stunner #1 Superstar

I'm coming out so you better get this party started im coming up so you better I'm coming out so you better get this party started Get this party started

Making my connection as I enter the room Everybody's chillin' as I set up the groove Pumping up the volume with this brand new beat Everybody's dancing and they're dancing for me

I'm your operator you can call anytime
I'll be your connection to the party line
I'm comin' up so you better get this party started
im coming up im coming

I'm comin' up so you better get this party started im coming up im coming
I'm comin' up so you better get this party started im coming so you better
I'm comin' up so you better get this party started im coming up im coming
Get this party started
Get this party started right now
Get this party started
Get this party started
Get this party started
