[Chorus x3]

Hey now, hey now
What's the matter with you?
Girls just wanna have fun now
Come on...

I come home in the morning light
My mother says when you gonna live your life right
Oh mother dear we're not the fortunate ones
And girls they want to have fun
Oh girls just want to have fun

[Chorus]

The phone rings in the middle of the night
My father yells what you gonna do with your life
Oh daddy dear you know you're still number one
But girls they want to have fun
Oh girls just want to have
That's all they really want
Some fun
When the working day is done
You know girls
They want to have fun

[Chorus: x2]

Single mint double mint triple mint gum
We're just 3 girls that wanna have some fun
If you party with us
You're gonna be a while
You gotta roll like us triple image style
There ain't nothin gonna stop us or get in our way
We're gonna be on the top by the end of the day
Cuz we got the look and we got the groove
Triple image gonna make you move
Some boys take a beautiful girl
And hide her away from the rest of the world
I want to be the one to walk in the sun

[Chorus]

When the working day is done girls
They want to have fun

[Chorus: x2]

And the boys they wanna have fun
And the girls they wanna have fun
And the boys they wanna have fun
And the girls they wanna have fun
And the boys they wanna have fun
And the girls they wanna have fun
And the boys they wanna have fun
And the girls they wanna have...

[Chorus x2]
