Hey now, hey now
Hey now, hey now

Have you ever seen such a beautiful night?
I could almost kiss the stars, for shining so bright
When I see you smiling, I go-oh oh ohh
I would never want to miss this
Cause in my heart, I know what this is

Hey now, hey now
This is what dreams are made of
Hey now, hey now
This is what dreams are made of
I've got somewhere I belong
I've got somebody to love
This is what dreams...
Are made of

Have you ever wondered what life is about?
You could search the world and never figure it out
You don't have to sail the oceans no no no
Happiness is no mystery
It's here and now, it's you and me

Hey now, hey now
This is what dreams are made of
Hey now, hey now
This is what dreams are made of
I've got somewhere I belong
I've got somebody to love

This is what dreams...
Are made of

Open your eyes
(this is what dreams are made of)
Shout to the skies
(this is what dreams are made of)

When I see your smiles, I go-oh oh ohh
Yesterday my life was duller
Now everything's technicolor

Hey now, hey now
This is what dreams are made of
Hey now, hey now
This is what dreams are made of
I've got somewhere I belong
I've got somebody to love
This is what dreams... (dreams)
This is what dreams...
Are made of

Hey now, hey now (hey now)
This is what dreams...
Hey now, hey now
This is what dreams are made of
