How it happens
I don't care
If it's rainin'
Or what I wear
I know today is taking me
Where I'm meant to be
Doesn't matter where I go
With my boy shoes
Or my rock star clothes
I'm waiting for a friend to call
Or the rain to fall

Life goes by
Who knows why

[chorus]
I can't wait for the world to spin
I can't wait to giving in
Ooh, What's it gonna take

I can't wait for the time to come
When I'll be shining like the sun
I can't wait (I can't wait)

Bum bum bum
Bum bum bum
Bum bum bum
Yeah

Everybody has their day
Where things just seem
To go their way
An angel's gonna
Smile on me
When it's meant to be
'Cause anything is possible
No matter how incredible
You never know who I might meet
On this crowded street

Life goes on
Life goes on

I can't wait for the world to spin
I can't wait to giving in
Ooh, what's it gonna take

I can't wait for the time to come
When I'll be shining like the sun
I can't wait

I haven't got forever
And I haven't got all day
Oooh, I don't want my world to stay the same
So where's a magic moment
To carry me away
Bum Bum Bum Bum
Bum Bum Bum
Bum Bum Bum
Yeah

Life goes by

I can't wait for the world to spin
I can't wait to givin in
Ooh, what's it gonna take

I can't wait for the time to come
When I'll be shining like the sun
I can't wait

I can't wait for the world to spin
I can't wait to give an end
I can't wait

I can't wait for the time to come
When I'll singing like the sun
I can't wait

I can't wait
