Verse1:

you are all that i want  
you are all that i need  
you are so cool  
and i want you bad  
to be with me  
i am so sad  
that you wont just

PreChorus:

just listen...  
listen from the start,  
listen from my heart

Chorus:

Be mine  
Be mine  
i have watched you  
i have known you  
dont ya know me  
i am yours  
forever  
and ever  
i love you  
yea

Verse2:

you were talking  
you were walking  
you were so cool  
and i knew  
we were so  
meant to be  
you held my hand  
and you smiled at me  
and i knew  
we were so  
meant to be

PreChorus:
