OK! here is a song that i just wrote.
but since people hafta write for me,
i just posted it here!
here it goes:

take it a little slower.
and mind your own life.
your just picture.
a picture that can't be mine.

i'm left alone,
i'm letting go.
we cant be together.
i'm just a place
a friendly face
being with you never
but baby
maybe...
maybe it wont last forever

you are my sunshine
on a cloudy day
sweetie,your your my
reason beyond reason,
to wash the pain away

let it all be settled now

i'm left alone,
i'm letting go.
we can be together.
i'm just a place
a friendly face
being with you never
but baby
maybe...
maybe it wont last forever

maybe we can talk sometime again
maybe you can always be my friend
maybe this will someday come to an end
and we'll never mess up again

never mess up again
never mess up again
never mess, never mess up again

let it all be settled now
let it all be settled now

i'm left alone,
i'm letting go.
we can be together.
i'm just a place
a friendly face
being with you never
but baby
maybe...
maybe it wont last forever

maybe it wont last forever
maybe it wont last forever
but baby,
maybe...

maybe it wont last...

[whispered]

forever...

did you like it? i'm hoping to get it on my next album.
so you gotta wait for it. it has a great tune!
