The sun is up,
it's a little after twelve.
Make breakfast for myself.
Leave the work for someone else.

People say,
they say that it's "just a phase".
They tell me to "act my age".
Well I am!

On this perfect day
nothing is standing in my way.
On this perfect day
when nothing can go wrong.

It's a perfect day,
tomorrow is gonna come too soon.
I could stay forever as I am
on this perfect day.

The sun is down
a little after ten.
I pick up all my friends
in my Mercedes Benz.

Wake up!
Don't tell me "it's just a dream"
cos when I've had enough you'll hear me say
now don't you try to rain on my

perfect day.
Nothing is standing in my way
on this perfect day
and nothing can go wrong.

It's a perfect day,
tomorrow is gonna come too soon.
I could stay forever as I am
on this perfect day.

I'm in the race but I already won

and getting in can be half the fun,
so don't stop me 'til I'm good and done
don't you try to rain on my

perfect day.
It's the perfect day.
It's the perfect day.
Nothing is gonna bring me down.

I could stay forever as I am
on this perfect day.
Nothing is standing in my way
on this perfect day
and nothing can go wrong.

I'm in the race but I already won
and getting in can be half the fun,
so don't stop me til I'm good and done
don't you try to rain on my perfect day.

On this perfect day.
On this perfect day.
