So yestrerday x3
you could change your life (if u wanna)
you could change your clothes (if you wanna)
if u change your mind (well thats it goes)
but im gonna keep your jeans and your old black hat
(cause i wanna)
they look ggod on me
your never gonna get them back

At least not today
not today
not today, cuz

if it's over let it go and
come tomorrow it wil seem
so yesterday
so yesterday
i'm just a bird thats already flown away
laugh it off let it go
when you wake up it will seem so yesterday , so
yesterday
havent you heard that i'm gonna be O.K

HA!
okay

you can say your bored
(if u wanna)
you can act real tough
(if u wanna)
you can say your torn
but i've heard enough

thank you
you made my mind up for me
when you started to ignore me
you wont see a single tear
it isn't gonna happen here

at least not today
not today
not today cuz

if it's over let it go and
come tomorrow it will seem so yesterday
so yesterday im just a bird thats already flown away
laugh it off let it go and when you wake up it will seem
so yesterday
so yesterday
havent you heard that im gonna be okay

if your over me
im already over you
if its all been done
what is left to do
how can you hang up
if the line is dead
if u wanna walk out
i'm a step ahead
if ur moving on
i'm already gone
if the light is off
it isnt on

at least not today
not today
not today cuz

its all over
and come tomorrow it will seem so yesterday
so yesterday
im just a bird thats all ready flown away
laugh it off
and let go and when u wake up it will seem
so yesterday
so yeterday
havent you hear that im gonna be ok x2
