I was thinkin' 'bout it yesterday  
I was thinkin' 'bout tomorrow  
In a dizzy kinda sorta way, like vertigo  
I've been tryin' hard to figure out  
But it's drivin' me crazy  
Well you'd think I'd know by now  
A is last, Z is first  
Living life in reverse  
'Cause that's the way it works

Chorus

Spinnin' around  
I've got this funny feeling  
Turnin' my whole world upside down  
I'll keep my heart, my eyes on You  
'Cause you keep me spinnin' around... Spinnin' around  
What we're doing doesn't have a sequel  
Don't wanna lose your balance  
Oh, you know you gotta keep your equilibrium  
Goin' back to go forward  
All these definite maybe's  
It's like running around in circles  
Make it last, take it slow  
Just forget what you know  
'Cause that's the way it goes

Chorus

Every now and then I feel your peacefulness surround  
me  
Then once again it all goes  
Up and down and over under  
'Round and around  
Go, Go, Go, Jump, Jump, Go, Go, Go J5  
Spinnin' around, oh yeah, yea  
Upside down, oh yeah yeah  
J5 in the house, hey  
Jump, jump, jump, jump, jump, jump  
Turnin' turnin' upside down - down  
'Cause you're spinnin' spinnin' spinnin' me around -  
round  
Go - jump - go - jump - go - jump - go - jump  
Spinnin' around, that's the way it works  
Take it slow and not so fast (fast)

Z is first and A is last (last)  
Up and down, all around (hey, hey)  
Turnin' my whole world upside down  
It's not the take  
It's the give  
Yes that's the way, okay  
The way it is

Chorus
