Fire it up baby
Get up, get up
Get up, get up
Get up, get up
Get up, get up, get up, get up
Get up, get up, get up, get up
Get up, get up, get up, get up
If you're curious, and you got the notion
Let's do it, just start the commotion

Get up, get up, put your body in motion
Get up, get up, put your body in motion
Get up, get up, put your body in motion
Get up, get up, get up, get up
Get up, get up, put your body in motion
Get up, get up, put your body in motion
Get up, get up, put your body in motion
Let's do it, just start the commotion
