You ask me why I change the color of my hair yeah
You ask me why I need thirty two pairs of shoes to wear
You seem to ask me why I got a lot of things it's just a
chick thing
You ought to let it go and try to understand but you
don't have a clue:

That's what girls do
They keep you guessing the whole day through
Play your emotions push all your buttons it's true
That's what girls do

You ask me why I gotta play so hard to get yeah
You ask me do I play it cool just to make you sweat
yeah
You want some kind explanation I can give
It's just a chick thing that you're messin' with
To me it's black and white
But it's not getting through to you...

That's what girls do
They keep you guessing the whole day through
Play your emotions push all your buttons it's true
That's what girls do

Yeah yeah yeah yeah yeah, why should I change?
Yeah yeah yeah yeah yeah, I'm havin' to much fun.
Yeah yeah yeah yeah yeah, to you it's confusing
To me it's nothing new::

That's what girls...
That's what girls do
They keep you guessing the whole day through
Play your emotions push all your buttons it's true

That's what girls...
That's what girls do
They keep you guessing the whole day through
Play your emotions push all your buttons it's true
That's what girls do
That's what girls do

They keep you guessing the whole day through
Play all your emotions push all your buttons it's true
That's what girls do
That's what girls do
That's what they do
