There is no one else that I can say this to
And there is nothing better
than to talk to you
If you have a problem
I'll be here for you
'Cause girl you always know that
It's us against the world

I met someone the other night...
someone I really started to like.
How will I know if he's right for me?
I wonder if we are meant to be

Don't start to like him too much... too soon
CHORUS

There is no one else that
I can say this to
and there is nothing better
Than to talk to you
If you have a problem, I'll be here for you
'Cause girl you always know that
It's us against the world

You know that boy I started to see
He thinks he can have it all for free
I wonder if he's the one for me
I tried to talk to myself and to see...

Don't start to like him too much too soon

REPEAT CHORUS

Whenever you're near...
there is no fear...
It feels like there's nothing I can't do.
You make me feel strong
'Cause it's here with you that I belong

REPEAT CHORUS

There ain't nobody else but you
That makes me feel the way that I do

There ain't nobody else but you
It's us against the world

REPEAT CHORUS x2

(There ain't nobody else but you
that makes me feel the way that I do
there ain't nobody else but you)
