Walk me home
I don't wanna go all the way alone
Baby would you walk with me home

Baby would you take my hand
Come with me now to our special land,
Baby would you walk with me home?
Home...

It's 3 a.m., and you're on my mind once again
I must've been dreamin...
Thought I felt your heartbeat just then
Then I wondered how it would be
If I was your lady
And you were my friend
I would put my heart in your hands
And it would never end...

Chorus:
Baby would you walk me home
I don't wanna go all the way alone
Baby would you walk with me home
Baby would you take my hand
Come with me now to our special land
Baby would you walk with me home

Home...home...

I hold my picture, next to my heart, all the time.
Aw, ya baby.
You're my dream come true,
So glad your mine
And I wondered how it would be
If I was your lady
And you were my friend
I would put my heart in your hands
And it would never end

(Chorus)

Home...

Bridge:

Every day and night I wanna hold you (Hold you)
Understand that I am gonna love you
In my own special way

(Chorus)

Home...

Baby would you walk me home
I don't wanna go all the way alone
Baby would you walk with me home

Home...Home...won't you walk with me home...
