Have you ever seen such a beautiful night  
I could almost kiss the stars for shinging so bright  
When i see you smiling i go oh oh oh  
I would never want to miss this  
Cause in my heart i know what this is

Hey now hey now  
This is what dreams are made of  
Hey now hey now  
This is what dreams are made of  
I've got somewhere i belong  
I've got somebody to love  
This is what dreams are made of

Have you ever wondered what life is about  
you could search the world and never figure it out  
you dont have to sail the ocean  
No no no  
Happiness is no mystery its here and now its you and  
me

Hey now hey now  
This is what dreams are made of  
Hey now hey now  
This is what dreams are made of  
I've got somewhere i belong  
I've got somebody to love  
This is what dreams are made of

Open your eyes  
(this is what dreams are made of)  
Shout to the skies  
(this is what dreams are made of)

when i see you smile and i go oh oh oh  
Yesterday my life was duller  
Now everythings technicolor

Hey now hey now  
This is what dreams are made of  
Hey now hey now  
This is what dreams are made of

I've got somewhere i belong  
I've got somebody to love  
This is what dreams...dreams...  
This is what dreams are made of
