Why can't we be friends (4x)

I seen ya, I seen ya, I seen ya 'round for a long long
time
I really, I really, I really remember when you drank my
wine

Why can't we be friends (4x)

I seen ya, I seen ya, I seen ya walkin' down in
Chinatown
I called ya, I called ya, I called but you did not look
around
I pay my, I pay my, I pay my money to the welfare line
I seen ya, I seen ya, I seen ya standing in it everytime

Why can't we be friends (4x)

The color, the color, the color of your skin don't matter
to me
As long as, as long as, long as we can live in harmony
I kinda, I kinda, I kinda, like to be the president
And I could, and I could, and I could show you how your
money's spent

Why can't we be friends (4x)

Sometimes I don't speak right
But did I know what I was talking about
I know you're working for the CIA
They wouldn't have you in the mafia

Why can't we be friends (4x)
(Repeat to fade)
