You think you're going nowhere  
When you're walking down the street  
You're acting like you just don't care  
When life can be so sweet

Why you wanna be like that  
Cause if there's nothing new  
You're not fooling no one  
You're not even fooling you

So walk a little slower  
and open up your eyes  
Sometimes it's so hard to see  
the good things passing by

There may never be a sign  
No flashing neon light  
Telling you to make your move  
Or when the time is right

(So) Why not  
Take a crazy chance  
Why not  
Do a crazy dance  
If you lose the moment  
you might lose a lot  
So why not  
Why not

(Why not take a crazy chance  
why not take a crazy chance)

You always dress in yellow  
when you wanna dress in gold  
Instead of listening to your heart  
You do just what you're told  
You keep waiting where you are  
What you'll never know  
Let's just get into your car  
And Go baby Go

(So) Why not

Take a crazy chance  
Why not  
Do a crazy dance  
If you lose the moment  
You might lose a lot  
So why not  
why not

Ohh  
I might be the one for you  
Ohh yeah  
Maybe yes, maybe no  
Ohh  
It could be the thing to do  
What I'm saying is  
You gotta let me know

You'll never get to heaven  
Or even to L.A.  
If you don't believe there's a way

Why not  
Take a star from the sky  
Why not  
Spread your wings and fly  
It might take a little  
Or it might take a lot  
So why not  
why not

(So) Why not  
Take a crazy chance  
Why not  
Do a crazy dance  
If you lose a moment  
You might lose a lot  
So why not  
Why not
