U ah ah yea ah yea ah ya ya

You think you're goin' nowhere  
When you're walking down the street  
Acting like you just don't care  
When life could be so sweet

But why you wanna be like that  
As if there's nothin' new  
You're not fooling no one  
You're not even fooling you

So walk a little slower  
And open up your eyes  
Sometimes it's so hard to see  
The good things passing by

There may never be a sign  
No flashing neon light  
Telling you to make your move  
Or when the time is right

[Chorus:]

(So) Why not (why not)  
Take a crazy chance  
Why not (why not)  
Do a crazy dance  
If you lose the moment  
You might lose a lot  
So why not  
Why not

Why not take a crazy chance  
(Why not take a crazy chance)

You always dress in yellow  
When you wanna dress in gold  
Instead of listening to your heart  
You do just what you're told  
If you keep waiting where you are  
For what, you'll never know

Let's just get into your car  
And go, baby, go

(So) Why not (why not)  
Take a crazy chance  
Why not (why not)  
Do a crazy dance  
If you lose the moment  
You might lose a lot  
So why not  
Why not

Ooh, I could be the one for you  
Ooh yeah, maybe yes, maybe no  
Ooh, it could be the thing to do  
What I'm saying is you gotta let me know

U ah ah yea ah yea ah ya ya

U ah ah yea ah yea ah ya ya

You'll never get to heaven  
Or even to L.A.  
If you don't believe there's a way

Why not (Why not)  
Take yourself from the sky  
Why not (Why not)  
Spread your wings and fly  
Oh, it might take a little  
And it might take a lot  
But why not  
Why not

Why not (take a crazy chance)  
Take a crazy chance  
Why not (do a crazy dance)  
Do a crazy dance  
If you lose the moment  
You might lose a lot  
So why not  
Why not
