Through my eyes I watch  
As you tried to run  
Over you I stand with my smoking gun

You can't walk out on me now  
I couldn't let you go  
If I can't have you  
No one will  
I see them All through

The eyes  
Through the eyes  
Of a man

Forever you' ll stay safe and sound  
Buried deep into the ground  
In the back yard sealed real tight  
I know you 'll never leave me now

Cause I know what's best for you  
And now there's nothing you can do  
So I think you understand  
What I see, I see through your eyes

The eyes  
Through the eyes  
Of a man

Home sweet home true colors are now shown  
Kicked In The Face Alone

Through my eyes I watch  
As you plead to me  
On your knees you cry so helplessly  
It's all over but the shouting  
And all along you knew the reasons  
Why I love you to pieces  
I see It In your eyes

In your eyes in your eyes in your eyes

Home sweet home true colors are now shown
