Lies in the pouring rain
I taste who you are
A stranger with life to bleed
I'm bleeding you dry
Cry out the unspoken
The devil's in disguise
Life flows into my veins
From angels in your eyes
Sins of the flesh
Lust in my breath
No one must ever know
I own your soul
Tears in the sunlit sky
I know what you dream
There's one hope for you and I
I am what I seem
Cry out the unspoken
The devil's in disguise
Life flows into my veins
From angels in your eyes
Sins of the flesh
Lust in my breath
No one must ever know
I own your soul
Sins of the flesh
Innocence blessed
Trust me you're not alone
Anymore
[Lead Break]
Cry out the unspoken
The devil's in your eyes
Life flows into my veins
From angels in disguise
Sins of the flesh
Lust in my breath
No one must ever know
I own your soul
Sins of the flesh
Innocence blessed
Trust me you're not alone
Anymore
