[LL Cool J]

Aiyyo baby I know why you're here
I know what you're doing
I can see it in your eyes you're up to somethin
I know what it is, but we're still cool
And we can socialize, I'm peepin ya baby
I'm holdin back I'm not lettin go
Cause a fool doesn't have a shoulder to cry on
So, give me a kiss and you service
Whether you like a mister or a miss

[Chorus - sample in the background]

[LL Cool J]

Aiyyo baby I know you don't love me

I know what you need and that's what I've got
You think I'm goin crazy no I'm not drinking
I know what you want, I made ya want it
Take my hand listen to the man
You have a plan don't even risk it
What do you want - a biscuit?

Six minutes, six minutes
(I ain't sayin nothin)
Six minutes, six minutes

[LL Cool J]

Honey, I know what you're up to I know how you're livin
I know where you go when you leave my house
I know what your dreams are but I dream too
Your with a man your not with a mouse
I see how you stare I see how you smile
I see right through now act like you knew

I know all about where you been runnin
Wipe your feet before you come in

[Chorus - sample in the background]

[LL Cool J]

Aiyyo baby I know you don't love me
I know why you're here
But I ain't sayin nothin
Aiyyo baby I know you don't love me
I know why you're here
But I ain't sayin nothin
Aiyyo baby I know you don't love me
I know why you're here
But I ain't sayin nothin
Aiyyo baby I know you don't love me
I know why you're here
But I ain't sayin nothin

[LL Cool J]

Yeah, that's smooth, let's just sit here and relax
while my man plays the piano for us
Sip somethin mellow

And it's us while you're here
But of course I ain't sayin nothin

[LL Cool J]

OK, now that you know I know you know that I know you
know

And that's the move so sit right here
Whisper in my ear caress my chest
And say somethin smooth but don't forget
I'll know what you'll say
Just what I thought I know the routine
I know the routine just what I thought
I know you tell the truth I know you don't lie
Sssssshhhhhh, close your eyes

[Chorus - sample in the background]

[LL Cool J]

Aiyyo baby I know you don't love me
I know why you're here
But I ain't sayin nothin
Aiyyo baby I know you don't love me
I know why you're here
But I ain't sayin nothin
Aiyyo baby I know you don't love me
I know why you're here
But I ain't sayin nothin
Aiyyo baby I know you don't love me
I know why you're here
But I ain't sayin nothin

[LL Cool J]

I won't tell if you won't tell
It's cool with me I know why you're here
I ain't sayin nothin
I ain't sayin nothin
I know why you're here
But I ain't sayin nothin
