(You got me shook up shook down shook out on your loving)  
(On your loving)

I want a girl with extensions in her hair  
Bamboo earrings  
At least two pair  
A Fendi bag and a bad attitude  
That's all I need to get me in a good mood  
She can walk with a switch and talk with street slang  
I love it when a woman ain't scared to do her thing  
Standing at the bus stop sucking on a lollipop  
Once she gets pumping its hard to make the hottie stop  
She likes to dance to the rap jam  
She sweet as brown sugar with the candied yams  
Honey coated complexion  
Using Camay  
Lets hear it for the girl she's from around the way

I need an around the way girl  
Around the way girl  
That's the one for me  
She's the only one for me  
I need an around the way girl

(You got me shook up shook down shook out on your loving)

Silky, milky her smile is like sunshine  
That's why I had to dedicate at least one rhyme  
To all the cuties in the neighborhood  
Cause if I didn't tell you then another brother would  
Your sweet like sugar with your gangster talk  
Want to eat you like a cookie when I see you walk  
With your rayon, silk or maybe even denim  
It really doesn't matter as long as you're in them  
You can break hearts and manipulate minds  
Or surrender act tender be gentle and kind  
You always know what to say and do  
Cold flip when you think your man is playing you  
Not cheap but petty  
You're ready for loving

You're real independent so your parents be bugging  
But if you ever need a place to stay  
(Oooh you love me)  
Come around my way

I need an around the way girl  
Around the way girl  
That's the one for me  
She's the only one for me  
To the bridge  
I need an around the way girl

(You got me shook up shook down shook out on your  
loving)

Perm in your hair or even a curly weave  
With that New Edition Bobby Brown button on your  
sleeve  
I tell you come here  
You say meet me half way  
Cause brothers been popping that game all day  
Around the way you're like a neighborhood jewel  
All the home boys sweat you so you're crazy cool  
Wear your gold in the summer with your biking shorts  
While you watching all the brothers on the basketball  
court  
Going to the movies with your home girls crew  
While the businessmen in suits be hawking you  
Baby, hair pumping, lip gloss is shining  
I think you in the mood for whining and dining  
So we can go out and eat somewhere  
We got a lot of private jokes to share  
Lisa, Angela, Pamela, Renee I love you You're from  
around the way

I need an around the way girl  
Around the way girl  
That's the one for me  
She don't love him  
(You got me shook)  
I need an around the way girl  
An around the way girl  
Fine as can be  
(Oooh you love me)  
She oh yea  
I need an around the way girl  
Around the way girl  
That's the one for me  
The only one for me  
I need an around the way girl  
An around the way girl

Fine as can be

(You got me shook up shook down shook out on your loving)

(You got me shook up shook down shook out on your loving)

(You got me shook up shook down shook out)

(You got me shook up shook down shook out on your loving)

(You got me shook up shook down shook out)

(You got me shook up shook down shook out on your loving)

(You got me shook up shook down shook out)
