

LL Cool J "Feel The Beat"

Visit "[Feel The Beat](#)" on MotoLyrics.com

Yes, yes yall, feel the beat y'all
Freak, freak y'all
Ya don't stop
Yes, yes y'all, feel the beat y'all
Freak, freak y'all
Ya don't stop

When Def Jam signed me
They hit the lottery
It wasn't free but don't call it a robbery
They underestimated me quite possibly
It's like that when you a godfather B
I'm the greatest of all time
You heard that before
But now when I say it
It means so much more
'Cause it's so true
No hype man, no crew
No reason for ghost writers
Every year I get tighter
Mothers and daughters agree I'm on fire
Check ya T-Mobile it's all over the wire
Cross ya legs baby, hide ya desire
You think I'm hot
You preachin' to the choir
Smilin' and gigglin', thirstin' like Gilligan
More flavor than cinnamon, they rush with adrenaline
I make 'em nervous
I do it on purpose
I come back hotter
Every time I resurface
Drop to ya knees baby
Praise the King
Now ask Russell Simmons
Who built the west wing?
I ain't gotta be cocky
I do the damn thing
(Aha)
Paint ya girl with strawberry frostin'
(Aha)
Internationally known and respected
You talk slick I'm too large to be affected

You crank call my cells disconnected
You keep slippin' but my games perfected

Yes, yes y'all feel the beat y'all

(Oh)

Freak, freak y'all

You don't stop

Yes, yes y'all feel the beat y'all

(Oh)

Freak, freak y'all

You don't stop

Uh yes, yes y'all feel the beat y'all

(Oh)

Freak, freak y'all

You don't stop

Uh yes, yes y'all feel the beat y'all

(Oh)

Freak, freak y'all

You don't stop

(Hmm)

I'm a star for real my aura is crazy
Hollywood love me in the streets I'm gravy
Born with a gift to inspire the hood
You wanna out do me and I wish you would
I'm the master separate from all these cats
I'm laughin' in eighty six, I balled like that
Honey catchin' feelin' from sittin' in Maybach's
'Cause her project hall is smellin' like Ajax
That's understandable but everybody relax
Hate when folk get money and don't know how to act
I'm a multi millionaire, homie that's a fact
But it's not the ice that makes ya wife react
Been had an entourage and platinum cards
Been gettin' Swedish massage in Boca Raton
What you think all them years I ain't pop no don
Spend a night in trump towers with a blue eyed blonde
I been did it, all my benzes was kitted
When you talk like a baller you tickle me with it
But yeah there's money out there come on let's get it
But I'm a get it in such a way you never forget it
Let's go twenty platinum albums in a row
Sixty thousand fans, a three hour show
I could care less who drop and blow
My name is L L baby, that's beyond the flow

Yes, yes y'all feel the beat y'all

(Oh)

Freak, freak y'all

You don't stop

Yes, yes y'all feel the beat y'all

(Oh)
Freak, freak y'all
You don't stop
Uh yes, yes y'all feel the beat y'all
(Oh)
Freak, freak y'all
You don't stop
Uh yes, yes y'all feel the beat y'all
(Oh)
Freak, freak y'all
You don't stop
(Hmm)

These rap cats get upset with me
When security clear out the V.I.P.
If honey wanna lounge, we gon' see ID
Ain't no negotiatin' you gone pay my fee
I'm the boss, I call the shots to keep it hot
I don't have competition, I'm bigger than the slot
While you waste advances on grey market rocks
I cop municipal bonds and Wal-Mart stocks
A family man but hard as a rock
And I die for my kids so stay off my block
They might be impressed with you but I'm not
After all these years I still walk with a bop
Still keep the ink hot
Still scheme like a fox
Still ready to battle
You don't want your career stopped
Industry shocked 'cause I mapped out a plot
And ran around humble with my joint on cock

Yes, yes y'all feel the beat y'all
(Oh)
Freak, freak y'all
You don't stop
Yes, yes y'all feel the beat y'all
(Oh)
Freak, freak y'all
You don't stop
Uh yes, yes y'all feel the beat y'all
(Oh)
Freak, freak y'all
You don't stop
Uh yes, yes y'all feel the beat y'all
(Oh)
Freak, freak y'all
You don't stop
(Hmm)
