feat. Seal

Give me love
I swear all I need is your heart, your heart
Oh baby
Give me love
Tell me where you need me to stop
I swear all I need is your love

Honestly, Im afraid to give love
Deep down Im afraid to be judged
Thats why I pull back, dont speak no rap
Put on the beat, man every time we hug
Its deep, Im afraid of heartbreak so much
The thought alone feels like my soul got cut
The thought alone feels like my soul got cut
My hearts wide open, baby show me mercy
Life is a desert and for love Im thirsty
You lead me to the water, Im afraid to drink
You hand me a glass, still dont know what to think
Your love is terrifying, Im standing on the brink
Im floating in your eyes then I start to sink
Girl, I never knew that I could feel so weak
Flying on a cloud in between these sheets
At war with myself, why do I retreat?
Its a battle just to try to go to sleep

Give me love
I swear all I need is your heart thats alright
Uh baby
Give me love
Tell me when you need me to stop
I swear all I need is your love
Give it to me baby you baby
Give it to me baby you baby
Give it to me baby yea
Give it to me
Just give me your heart
Give it to me baby
Uh baby
Give it to me baby

Uh girl
Give it to me baby
I swear all I need is your love

Everybody knows that falling in loves easy, timing outs
hard
So I only wasnt really, raise my thoughts as God
Its crazy, I hold you in the highest regard
But us having true love? Whats the odds?
Thats scary, what if I get hit that hard
So hard I cant get up, heart got lit up
Too weak to move, cant eat, wont sit up
Mommy used to say dont worry, its just a hiccup
But even she cant help
When your hearts on fire, and about to melt
So everything I really feel, I keep it to myself
So I dont end up hurt like everybody else
Took love off the bat, burn I put it on the shelf
With the books I never read about pain I never felt
Love is a problem, baby I need help
My cards on the table and my hearts breaking me up

Give me love
I swear all I need is your heart I swear
Uh baby
Give me love
Tell me when you need me to stop
I swear all I need is your love
Give it to me baby you baby
Give it to me baby from you baby
Give it to me baby (yea)
Give it to me
Just give me your heart
Give it to me baby
Uh baby
Give it to me baby
Uh girl
Give it to me baby
I swear all I need is your love

It was the best of times, it was the worst of times
When the last chapters done, I hope your mine
Yea
I need you to know
It was the best of times, it was the worst of times
When the last chapters done, I hope your mine
But until that try

Give me love
I swear all I need is your heart I swear
Uh baby

Give me love
Tell me when you need me to stop
I swear all I need is your love
Give it to me baby you baby
Give it to me baby from you baby
Give it to me baby (yea)
Give it to me
Just give me your heart
Give it to me baby
Uh baby
Give it to me baby
Uh girl
Give it to me baby
I swear all I need is your love

Dear diary dear diary
I hope she feels the same
I hope she keeps loving me
Keeps loving me as Im loving
I love er more than ever
I pray our love wont change
Lets go home, give me love.
