[Verse 1]

Dear Mr. President with all due respect  
I wish we can have a conversation  
I'll take a trip done to the residents  
We can talk about the state of the nation  
Mr. President  
I will ask you about the war  
Really and truly what is it for?  
IDEN mix soldier form dyeing for stuff above us all  
Is it all about oil at end of the day?  
Is the pledge of allegiance is something say?  
I hope not I love The USA  
In spite of all drama we have today  
Mr. President are you aware  
Our Flesh and blood is dying over there  
When the coffins come back  
Do you care?  
When only the poor kids die  
Is it fair?

[Chorus] [Wyclef Jean]

If I can talk to the President  
Would he pay attention really listen?  
If talk something intelligent  
Would he be willing to change his position?  
Now it's Time time time  
To speak my mind mind mind  
[Verse 2][LL Cool J]

Don't get me wrong  
I respect the flag  
But it hurts to see a kid in a body bag  
He fought for his country with all he had  
Now we have a family without a dad  
Lil mama crying and the kids are scared  
9/11 why we were unprepared  
Mr. President,  
Are you aware unless you're rich, you have poor health  
care  
It makes you scream and want to pull out your hair

Discharged from the hospital soon as you get there.  
Mr. President Truth or dare  
Terrorist is hiding do you know where  
Illegal immigrants is everywhere  
Isn't really fought they want to come here[Mr. President  
featuring Wyclef Jean Lyrics On ]  
I respect you pleased be clear  
Talk with me  
Show people you care

[Chorus][Wyclef Jean]

If I can talk to the President  
Would he pay attention really listen?  
If talk something intelligent  
Would he be willing to change his position?  
Now it's Time time time  
To speak my mind mind mind  
[Bridge][Wyclef Jean]  
What I'm to do  
I can wait here with you  
Tell me something that make sense  
You sent off for war  
Pleased be honesty what it's for  
Doesn't matter is life or death  
Yeah

[Verse 3][LL Cool J]

I'm not republican or democratic  
I'm independent I want the facts  
When are the soldiers come back?  
Are we prepared for a terrorist attack?  
Late at night I watch CNN  
It so bad I'm stop leaving  
Middle East hates us  
What's the reason?  
Mr. President  
My heart is bleeding  
I tuck my kids end every evening  
Try to teach them keep believe  
Hoping my government want deceive them  
Tell'em Set some goals you can achieve them  
Mr. President  
I have to know if die for you  
What will have to show?  
How really truly how our country grow  
Waiting for your answer Let me know

[Chorus][Wyclef Jean]

If I can talk to the President  
Would he pay attention really listen?

If talk something intelligent  
Would he be willing to change his position?  
Now it's Time time time  
To speak my mind mind mind

Now it's Time time time  
To speak my mind mind mind (repeat)
