(feat. Charlie Wilson)

Let the ..put you down

...

Don't hit 'em back

She not coming back

Grab my T-shirt...

...

Baby go to work

Let me do what i do

..

When you say I am the best remember I said it first

It's nothing like the new love

Nothing like the new love

Nothing like the new love

It's nothing like the new love

Nothing like the new love

Nothing like the new love

Baby your man it's through

He don't understand you

Never ever ...

...

Basical too much for him to handel

Makes you feel like

Sometimes you notice

Sometimes you don't

You know my style

Staring out your...

Remind me to remain true

I 'aint go outside

...

It's nothing like the new love

Nothing like the new love

Nothing like the new love

It's nothing like the new love

Nothing like the new love

Nothing like the new love

Everytime you ask me to be nasty

..

Your free to be a bad girl

Hit behind the doors

Scream all night

...

I'm a moovie

Dirty looks when you pass me

That's what happens if ...

It's nothing like the new love

Nothing like the new love

Nothing like the new love

It's nothing like the new love

Nothing like the new love

Nothing like the new love
