I'll be by your side when the chips are down  
I know you had some problems but I'm here now  
You'll never be alone long as I'm around  
Good hearts don't belong in the lost and found  
So I pick up the pieces, erase your frown  
And I show my true colors when we paint the town  
I hate to hear you cry, I don't like the sound  
So my love is turned up, sheets get turned down  
I know it hurts now, the drama's the worst now  
It's fourth and a hundred but love's a first down  
A quarterback to come back right now  
When a hail Mary works, the world is like wow  
You down for the count, I ain't having it baby  
They can all go to hell, I know they callin me crazy  
But you're my sunshine when the world gets shady  
A toast to the first lady

Chorus  
(Fitz and Noelle)  
You shouldn't be (LL: You shouldn't be alone) alone (LL:  
nah)  
I'm not leaving you tonight  
Love, you know I'm right here  
I'm not leaving you tonight  
(LL: Fitz & the Tantrums, huh?)  
No way, baby  
(LL: That's right)  
I'm not leaving you tonight  
(LL: Uh, uh)  
No way, baby  
I'm not leaving you, not leaving you tonight

Farmers Boulevard

Turn ya back on it and the sun still shines  
Grapes get old and they turn into wine  
The deeper the roots, the stronger the vines

These lines on my face just a sign of the times  
You could cry on my shoulder if you're so inclined  
I used to be a Casanova in the lunchroom line  
There is more important things occupying my mind  
Like being there for you, breathing the air for you  
Keep trust false and truth to dare for you  
The weight of the world I'm prepared to bear for you  
The haters get cynical and call you spoiled  
Not knowing 'bout the drama in which you're embroiled  
The numerous pit falls, the tussle and the toil  
The Farmers taught me to put seeds in the soil  
And here comes the harvest, this part's the hardest  
I'm still here in darkness

Chorus

(Fitz and Noelle)

You shouldn't be (LL: I'm still here, baby) alone  
I'm not leaving you tonight (LL: And you shouldn't be  
alone)

Love, you know (LL: Uh,uh) I'm right here  
I'm not leaving you tonight

(LL: Nah, nah)

No way (LL: Yeah), baby

I'm not leaving you tonight

(LL: Uh)

No way, baby

I'm not leaving you, not leaving you tonight

Bridge

(LL) When I'm alone in my room sometimes I stare at  
the wall

And in the back of my mind I hear my conscience call  
When I'm alone in my room sometimes I stare at the  
wall

And in the back of my mind I hear my conscience call

Chorus

(Fitz and Noelle)

You shouldn't be (LL: I'm still here, baby) alone  
I'm not leaving you tonight (LL: And you shouldn't be  
alone)

Love, you know (LL: Uh,uh) I'm right here  
I'm not leaving you tonight

(LL: Nah, nah)

No way (LL: Yeah), baby

I'm not leaving you tonight

(LL: Uh)

No way, baby

I'm not leaving you, not leaving you tonight
