(verse):Brandy

Seems like ever since

The first day we met

There is no one else

I think of more than you

Can't seem to forget

Can't get you out of my head

Guess the verdict's in

I'm crazy over you

How can one be down

Tell me where to start

Cause everytime you smile I feel tremors in my heart

I have but one concern

How can I get with you

Til my day comes here's what I'm gonna do(Check it)

(chorus):

Sittin' up in my room

Back here thinkin' about you

I must confess I'm a mess for you

Sittin' up in my room

Back here thinkin' about you

I'm just a mess with a thing for you

(rap):LL Cool J

Peace uhh You know what I mean yeah yeah got to

Exhale collapses lungs I make it hard for your ex to feel

effects
I treat my honey good and that's what he don't expect
who's next not me

that's tha truth
beavers can't break down the code I wrote my own
book I call it Waiting
to Explode
(chorus):Brandy
Sittin' up in my room
Back here thinkin' about you
I must confess I'm a mess for you
Sittin' up in my room
Back here thinkin' about you
I'm just a mess with a thing for you
