(Verse 1) Time to put Â'em in the dirt, somebody gettin hurt

Hard time, gets rough I took a look at my life, cuts like a knife What I have is not enough I got a lot on my mind, cross the line Home boy I cut you up No reason to rhyme, out comes the 9 You lose your mind

Hard as hell Battle anybody Rock the bells

(Verse 2) I canÂ't take it no more My nerves so raw This economyÂ's out of control I kick down your door Put the weapon to your jaw This time heads gonna roll I feel so hard, oh my god! Come back and save my soul Never settle for the silver muff The Bronx know my style, give me that goal I came to test ya, under pressure LetÂ's see if you paused on 4 IÂ've taken mine now itÂ's the time Hungry, youÂ've been told I be fighting for my dream my whole life But this day to day grinding gets old! ItÂ's the west coastal going postal Action! who wants that role?

(Verse 3)

Release the beast, whereÂ's my feast Feed my hunger pains KidÂ's gotta eat, no defeat My turn to take your grains Shoot the ring, watch the king I have perfect aim And what I bring is gonna swing The world like a hurricane lÂ'm gonna show you What it feels like to go through The war that IÂ've been through How it can make you mental Time to lay down, take off the crown Business not a game Hot stock the pound, the time is now Gotta break these fucking chains

(Hook) x4 I say whaddup I got so much trouble on my mind Refuse to lose I say whaddup HereÂ's your ticket Hear the drummer get wicked
