(Intro - Wale)

I appreciate your resistance shawty

I wouldn't fuck with me either

All of me that is

(1st Verse - Lloyd)

Hey girl, I like what you got on

How bout you take it off

It's just you and me don't be shy

Baby show me what you're working with

Damn you're so fine

I've never seen a body so divine

What you waiting on, come and get it

Baby I just want a little bit, better yet

(Chorus - Lloyd)

Take all of me

All of me

Cause I just wanna give you my all

So can you take all of me

All of me

Your body's telling me what you want

So Ima give it all

(2nd Verse - Lloyd)

Where you going girl, don't run away

You was talking all that shit the other day

Bout how you can take it and how I wasn't ready

Baby I think your mistaken

Cause you're over there, I'm over here

Now you're looking scared, watch it disappear

Told you Ima come correct

And I ain't even break a sweat

Girl I ain't even finished yet

(Chorus - Lloyd)

Can you take all of me

All of me

Cause I just wanna give you my all

So can you take all of me

All of me  
Your body's telling me what you want  
So Ima give it all

(3rd Verse - Wale)

Hold up, Wale though  
Love what she need  
But a brova really just can't give in  
But that's it what she bring  
Got me thinking I can reconsider  
Got me thinking she can be my Mrs  
Got me thinking that I need to stop tripping  
Smoke and talk about our pain  
Drink until we in our feelings  
Uh, what's rough for her is I like her when I like her  
And she dislike the fact cause I like the fact that can't  
fight back  
But she loves more  
And she loves hard when she does so when Im on and  
on  
Cause the last time I said the last to my old flame was a  
false alarm  
I know I know I'm not the best  
A monogamy would be a optimist  
And let God protect as far as having you  
Give me half of you, He can have the rest  
No promises believe it's all just game girl  
Cause if I go inside that I bet you go insane girl

(Chorus - Lloyd)

Take all of me (work)  
All of me  
Cause I just wanna give you my all  
So can you take all of me  
All of me  
Your body's telling me what you want  
So Ima give it all (x3)  
Yea, this that good ole top down  
For you shawty, just you  
So Ima give it all
