[Chorus:]

First we go to dinner  
Then we hit the movies  
Now we back at my crib  
Off in the jacuzzi  
I'm kissin on your stomach  
Feelin on your booty  
I wanna have a party  
All over your body

[Repeat]

I wanna freak you  
I wanna freak you  
I wanna freak you  
I wanna have a party  
All over your body

Freak on cruise the city girl  
Hard on the soft top  
And I got that old school  
Paint like a lollipop  
Ring ring ring & my celly ringin ready girl  
Ching ching ching I got that fatty & I'm ready girl  
To take you out  
I do this here on the regular  
And there's no doubt  
There's somethin bout you  
That express you girl  
I'm diggin you girl  
Your body's unforgettable  
Your swag is incredible  
You know what I wanna do  
Surprise, I'm a treat you like it's your birthday  
Surprise, no one man can do like I can  
Surprise, I'm the present baby unwrap me  
Did you hear me?  
Baby unwrap me

[Chorus]

First we go to dinner  
Then we hit the movies  
Now we back at my crib  
Off in the jacuzzi

I'm kissin on your stomach  
Feelin on your booty  
I wanna have a party  
All over your body  
[Repeat]  
I wanna freak you  
I wanna freak you  
I wanna freak you  
I wanna have a party  
All over your body

Yeah be cool keep it on the hush  
Don't let other girls know anything about us  
Cause they know what I'm feelin  
Pull them curtains up  
Cause this is a private show  
Time to give me some sexual healing  
The time is now  
(I do this here on the regular)  
To put it down  
(I promise I'm gonna make you special girl)  
I'm makin you girl  
Your body's unforgettable  
Your swag is incredible  
You know what I wanna do  
Surprise, I'm a treat you like it's your birthday  
Surprise, no one man can do it like I can  
Surprise, I'm your present baby unwrap me  
Did you hear me?  
Unwrap me, baby

[Chorus:]  
First we go to dinner  
Then we hit the movies  
Now we back at my crib  
Off in the jacuzzi  
I'm kissin on your stomach  
I'm feelin on your booty  
I wanna have a party  
All over your body  
[Repeat]  
I wanna freak you  
I wanna freak you  
I wanna freak you  
I wanna have a party  
All over your body

Yeah girl  
Come & gimme some of your... body  
Cause I just want a piece of your... body  
Give it up, give it up

I wanna have a party  
All over your body  
Stop playin  
And gimme some of your... body  
I'm sayin  
I just want some of your... body  
Yeah give it up, give it up  
I wanna have a party  
All over your body
