(Lloyd Talking) Damn shawty i see you looking at me but you my man's girl though

(Verse 1) No i say what's on your agenda i can tell how you pretend to be in love you playing house with him but baby i'm the one you thinking of one thing you should remember he's my nigga nothing comes between us even though your body's bangin oh i can't take it

(Chorus) Ohhh baby don't do this please don't take me through this i don't wanna do this ohhh you tryin to get under my covers he's suppose to trust us he told me that he loved you he's my best friend you suppose to be his girlfriend but this ain't cool ohhh baby don't this yes you fine but i got to decline there's too much to lose ohhh baby don't do this

Ohhh baby don't do this please don't take me through this i wanna do this ohhh you tryin get under my covers he's suppose to trust us he told me that he loved you he's my best friend you suppose to be his girlfriend this ain't cool ohhh baby don't do this yes you fine but i got to decline there's too much to lose ohhh baby don't do this

Ohhh baby don't do this please don't take me through this i don't wanna do this ohhh you tryin to get under my covers he's suppose to trust us he told me that he loved you he's my best friend you suppose to be his girlfriend this ain't cool ohhh baby don't do this yes you fine but i got to decline there's too much to lose ohhh baby don't do this
