[feat. Twista]

Holla at me baby
Whenever you're in town show me you know how to put
it down
I wanna have a party, all over your body
And this is what I need right now

I need a very freaky girl
That can drive me crazy
Make my whole world go round
That's a bad girl (she Michael Jackson bad)
I just want a bad girl (she Michael Jackson bad)

She always actin slutty cause she knows that she a
hottie
And she goes to all the parties
Just so she can move her body on me
That girl is so bad ohhh I want to wife that
I'll ride you like my Caddy, can I be your baby daddy
girl

Sh-sh-sh-shawty understand me, we can start a family
I'll share it all gladly
So let a nigga peep some Hottest chick baby girl I
wanna freak something

Holla at me baby
Whenever you're in town show me you know how to put
it down
I wanna have a party, all over your body
And this is what I need right now

I need a very freaky girl
That can drive me crazy
Make my whole world go round
That's a bad girl (she Michael Jackson bad)
I just want a bad girl (she Michael Jackson bad)
