[Lloyd - Chorus]

Girl I wanna be the one, be be be the one
Girl I wanna be the one
Be the one to kiss you goodnight
Be the one, be be be be the one
Girl I wanna be the one, be the one
Girl I wanna be the one, be be be the one
Girl I wanna be the one, be the one to kiss you
goodnight
Be the one, be be be the one, girl I wanna be the one
Be the one to kiss you goodnight.

? Open my eyes

Wake up in the morning, she on my mind
Get fresh, get dressed
The world, it's my time
So you can think about your soul
? cause you know we on
So let me turn off that phone
We aint gotta stop we grown
And I don't really give a f-ck who's calling
I don't really give a f-ck who's ballin'
Call me A. Keys, who's Fallin'
You's fallin', thats dude's problem
So hop in this thang
Forget what he said
Wanna text my favourite spread
my lips between your legs

[Lloyd - Chorus]

[Trey Songz]

? I'm headed over there
You better be prepared
Pullin' on ya hair
No kiddin', no trippin'
My dog and yo kitten

My head in yo mitten

If you take it than I'm gon' give it
If you throw it, then I'm gon hit it
I'm aint gon miss it, it's my mission I'ma kiss on every

lip of yours
What now, touch down, your body like a score
Get it, I'ma get it like you never did before

[Chorus]

[Young Jeezy]
Look, Lloyd got me on these?
So all you see is these ? rappers
Coconut kush, cocnut ciroc
Not behind the wheel, coconut the top
Get it? yeah I said nothing
Talk back to her, like what
Aint nothing sweet in my sweet
See I start off slow, go deep
Got an uptown ?, it's over
I told ya, she my soldier
Yeh, Young be the boss
Everyday of the week I floss
Look off white rocks, no denim
Look off white drop, no rental
Yeah, top down in the winter
Say I ball too hard, Sportscenter
I'm in the club with my ice out
Start blowing up my iPhone
Like where ya at? where ya been?
What ya doing tonight, can you hit it again
From the back, while I'm on the scene
While you smoking blunts while ya drinking drinks
While ya other broads blowing up ya phone
WHile ya pulling my hair with ya Nike's on
