"Can't Get Over"

I can't get over you. Nope.
Can't get over you. Nope.
I can't get over you.
Street love.

[Chorus:]

You're too hard to get over.
And I don't want nobody, want nobody else to get this
love.
Baby can we start over.
Give it to me, give it to me, give it 'til I get too much.
I need some more of you.

Girl, I ain't been drinking.
And I ain't been smoking.
But my mind's open, you got me gone and I'm floating.
Girl, I need another dose.
Girl, you don't even know.
I am your feen, please supply what I need girl right
now.

[Chorus:]

You're too hard to get over.
And I don't want nobody, want nobody else to get this
love.
Baby can we start over.
Give it to me, give it to me, give it 'til I get too much.
I need some more of you.

Girl, I need you to serve me.
Girl, baby on the daily.
Girl, I want to place some orders.
My body needs you like water. Ooh.
Give me more and more, girl you don't even know.
I am your feen, please supply what I need right now.

[Chorus:]

You're too hard to get over.
And I don't want nobody, want nobody else to get this
love.

Baby can we start over.
Give it to me, give it to me, give it 'til I get too much.
I need some more of you.

I can't get over you. Nope.
Can't get over you. Nope.
I can't get over you.
Street love.

[Chorus: x2]

You're too hard to get over.
And I don't want nobody, want nobody else to get this
love.
Baby can we start over.
Give it to me, give it to me, give it 'til I get too much.
I need some more of you.
