She wakes up in the morning
Jumps in the shower
Then rubs on her lotion
While she's rapped in her towel
Ain't no music going
But she dances til perfection
I swear the bathroom is a club
The way she's showing love
To her reflection

Every morning I watch her from behind
But she don't know
I pretend that I'm asleep
But I don't miss her show

My favorite part of the day
Is when she dances in the mirror
Dance in the mirror
There's nothing more I can say
Just watch her dance in the mirror
Dance, oh she's so cute cute cute
Dancing in the nude nude nude
Oh
My favorite part of the day
Is when she dances in the mirror
Dance in the mirror

It's late in the evening
We got dinner reservations
She's taking her time
But I don't mind waiting
I don't get impatient
Cause when she gets naked
Ooh the temptation
Ooh the temptation
You make me wanna cancel
All of our plans
Keep you right where you stand
Just wanna see you dance

Every morning I watch her from behind
But she don't know

I pretend that I'm asleep
But I don't miss her show

My favorite part of the day
Is when she dances in the mirror
Dance in the mirror
There's nothing more I can say
Just watch her dance in the mirror
Dance, oh she's so cute cute cute
Dancing in the nude nude nude
Oh
My favorite part of the day
Is when she dances in the mirror
Dance in the mirror

Oh, She's singing to herself like
Da ra da ra da ra rap oh
Ooh, She's singing to herself like
Da ra da ra da ra rap oh

My favorite part of the day
Is when she dances in the mirror
Dance in the mirror
There's nothing more I can say
Just watch her dance in the mirror
Dance, oh she's so cute cute cute
Dancing in the nude nude nude
Oh
My favorite part of the day
Is when she dances in the mirror
Dance in the mirror
