[Lil' Wayne]

Hey ya

I came to talk about this girl that had my love it seems

I went away for a while

She gave my love away

I really shouldn't blame her

But now that pussy is a stranger

[Lloyd]

Baby, something's on my mind I gotta say it

Yeah, your pussy done changed

It's the same girl and that's a shame

(A crying shame baby)

Oooh, ain't being funny

I know another bee's been in that honey

Ooh, baby, her pussy done changed

It's such a shame girl and that's a shame

(Who the hell you giving my loving to girl?)

Oooh Nooo

Tell me where that pussy gone

Cause it don't feel the same

(I miss that pussy, that pussy, that pussy)

Oooh Nooo

(Why you do me like that baby)

Why is that happening to me

Oooh Nooo

She told me that it was not missing

(I miss that pussy, that pussy, that pussy)

Oooh Nooo

Yeah yeah yeah yeah

She, she used to be a really special lady

I guess she's feeling kinda freaky lately

It's such a shame cause now the pussy's changed

(Pussy changed)

She used to squeeze me

Grip me tight so she can please me

But now-now, that pussy changed

It's such a shame, that pussy changed
Ooh Nooo
Where did ya pussy go?
Cause girl, I need to know

(I miss that pussy, that pussy, that pussy)
Ooh Nooo

I'm about to kill it bitch
Ooh Nooo
She gave away all my money
(I miss that pussy, that pussy, that pussy, that pussy)
Ooh Nooo
Yeah, yeah, yeah

Damn darling, do change your all?
I'm your number fan belt they are not important
I don't use a cordless, microphone avoiding
They don't feel real to me
Meaning real woman
Others spit on me
You the prima on the line, bean green box
When I couldn't afford a Ford
Clean socks scooting across the floor in your
grandmama's house
Hand on your mouth
You yap too much about the penny henny
This mechanic is so uncanny
X-men, x-men, your ex-boyfriend should thank me that
I took you off his hands
No, I can't bring another beach to the sand
And no, I am well aware that you can bring a man to his
knees
And get what you need without saying please
But can you bring a man to his feet when defeat is on
repeat
And they put this man's Grammy's on the street
What? Why so quiet?
Hate that all of our memories happened in a Hyatt
You were perfect before you went on a diet
You was way different, you think I don't remember
Shit, the magazine got to your head
Now somebody you don't even know got you in bed
Bet you bloodied on me, know you don't like red
Or was it fuchsia, fuck it, our future is dead

[Lil' Wayne]
I thought a pussycat had 9 lives manâ€¦!

Ooh Nooo

(I miss that pussy, that pussy, that pussy, that pussy)
Ooh Nooo
She gave away all my shit
(I miss that pussy, that pussy, that pussy, that pussy)
Yeah, yeah, yeah
I miss ya girl

(Fuck dat bitch!)
