What's up baby there's alot of things I want you ta learn
about me
And there's alot of things I wanna learn about you class
is in session

[Verse 1:]

Hey girl now that I got you all alone in my room (my
room)
Gonna love you down and show you the world (the
world)
You can forget about what he put you through
Cause he can never love you the way that I could if you
were mine
Jus show me where to sign
Give me your permission to take a trip with me
To satisfy you is my mission and a bed is all we need

[Chorus:]

Show me your spot and shawty I'll show you mine (I'll
show you mine)
I'll start at your heart then move deeper inside (deeper
inside)
I'm gonna sex educate you, sex educate you and make
you fall in love (sex educate you)
I'm gonna sex educate you, sex educate you and make
you fall in love (sex educate you)
I want him like a A [x8] (sex educate)

[Verse 2:]

Show me love you can't fight what you been longing
inside
Give me your heart I'll open it up
But instead we waited our whole life and I kno that it's
real
What I feel for you right now baby I can show you how

To get what you been missin come take a trip with me
Satisfaction is my mission and a bed is all we need

[Chorus:]

Show me your spot and shawty I'll show you mine (I'll
show you mine)

I'll start at your heart then move deeper inside (deeper inside)
I'm gonna sex educate you, sex educate you and make you fall in love (sex educate you)
I'm gonna sex educate you, sex educate you and make you fall in love (sex educate you)
I want him like a A [x8]

Yea see this jus 1st period but we got alot more ta learn throughout tha night
So strap on tight take this ride Ha
Girl I wanna show you all around the world
But in order ta do that you gotta believe in me yea

[Chorus: Until Fade]
Show me your spot and shawty I'll show you mine (I'll show you mine)
I'll start at your heart then move deeper inside (deeper inside)
I'm gonna sex educate you, sex educate you and make you fall in love (sex educate you)
I'm gonna sex educate you, sex educate you and make you fall in love (sex educate you)
I want him like a A [x8]
