Ay girl  
There's something about your body  
That be driving me crazy  
I need that  
Bout to come over there  
And kiss em lips  
Both sets haha yeah  
Come here  
Deeper deeper  
I'll be fallin in  
Gotta see her, see her  
She keep that thing vibrating  
Like a beeper beep  
I ain't felt lil mama in a while  
And I need that right now, yeah  
Weaker weaker  
Damn I'ma feening for it  
My receiver, ceiver  
She throw it back at me  
Ooo she's a keeper  
I set that thing on fire  
Shawty like a ether ether  
Ooo ooh  
I ain't never been in love  
But my body is crying now, yeah  
When is just the two of us  
It feels like that's all about  
I can never get enough  
Every time just like the first time  
I just gotta double up  
And live it again and again and again  
I'm heading to the crib  
It's a quarter past two  
I got something special is planed for you  
Gonna take em off  
I'ma break you off  
You're so hot and wet you feel like June  
You're so hot and wet you feel like June  
I'ma have a picnic all on you  
Gonna take em off  
I'ma break you off  
You're so hot and wet you feel like June  
I'ma have a picnic all on you  
Are you ready  
Go all around when you ride it  
Like a twenty-eight to my chevy  
Baby you're a star  
Do anything and every  
My Beyonce, My Ciara  
My Rihanna, My Kerin  
Girl you know I-I-I  
I don't need nobody but you and your body  
Have a picnic girl I'll eat it up  
(Boom Boom Boom Boom)  
I'll beat it up  
Girl you know I ain't got  
No ordinary sex  
So girl tonight  
You'll be screamin yes  
I ain't never been in love  
But my body is crying now, yeah  
When is just the two of us  
It feels like that's all about  
I can never get enough  
Every time just like the first time  
I just gotta double up  
And live it again and again and again  
I'm heading to the crib  
It's a quarter past two
